

**SILKFLEX<sup>®</sup>**

Premium Wood  
Coatings

## // ABOUT US

**Silkflex** is the leader in water-based wood coating technology where extremely hard finishes can be achieved rapidly in a low VOC formulation. It is currently being used by the largest brands of furniture worldwide and in some of the most prestigious buildings. **Silkflex** can be used effectively and without compromise to replace traditional solvent-based wood lacquers. **Silkflex** IS the solution to eco-friendly wood coatings!
